How To Obtain Warranty Service

To submit a claim, contact Best Floor Coverings at 425-547-7018 promptly upon discovering the claimed defect and within the applicable warranty period. Best Floor Coverings will then schedule an appointment to inspect the premises and the warranty claim within a reasonable period after receiving the claim. If after inspection, Best Floor Coverings determines that a valid claim exists under one or more of the warranties, Best Floor Coverings will repair, re-install, re-perform, or refund the purchase price of the failing service, at Best Floor Coverings' option.

What Is Not Covered

These warranties are granted by Best Floor Coverings to the Owner only and only services purchased from and performed by Best Floor Coverings are covered by these warranties. These warranties are not transferable and will terminate immediately upon the transfer of home ownership. All warranties assume normal and reasonable use of Best Floor Coverings-installed products or components. Minor color or textural variations from the lot-to-lot of product are not product or installation defects.

What Voids These Warranties

Installation, removal, painting, repair, adjustment, tampering, or re-installation of any Best Floor Coverings products or components supplied by Best Floor Coverings by anyone other than a Best Floor Coverings-authorized contractor voids any and all warranties within this document.
